

AppleCare+ for Apple Display

AppleCare+ for Mac

How Consumer Rights Affect this Plan

THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ALL RIGHTS AND REMEDIES PROVIDED UNDER CONSUMER PROTECTION LAWS AND REGULATIONS. THIS PLAN SHALL NOT PREJUDICE THE RIGHTS GRANTED BY APPLICABLE CONSUMER LAW, INCLUDING THE RIGHT TO RECEIVE REMEDIES UNDER STATUTORY WARRANTY LAW AND TO SEEK DAMAGES IN THE EVENT OF THE NON-PERFORMANCE BY APPLE OF ANY OF ITS CONTRACTUAL OBLIGATIONS.

1. The Plan

This contract (the "Plan") governs the services provided by Apple under the above plans and includes the terms in this document, your Plan Confirmation ("Plan Confirmation"), and the original sales receipt for your Plan. Your Plan Confirmation will be provided to you at the time of purchase or sent to you automatically thereafter. If you purchased your Plan from Apple, you may obtain a copy of your Plan Confirmation by going to mysupport.apple.com/products.

Benefits under this Plan are additional to your rights under applicable laws, the manufacturer's hardware warranty and any complimentary technical support. The terms of the Plan apply the same whether paid for on a one-time basis ("Single-Pay Plan") or a monthly basis ("Monthly Pay Plan"), except where otherwise noted.

The Plan covers the following equipment (collectively, the "Covered Equipment"): (i) the Apple-branded Mac computer or display listed on your Plan Confirmation (including any Apple-branded stand and/or VESA mount included with or purchased at the same time as your Apple-branded display), and the Apple-branded accessories contained inside the original packaging ("Covered Device"), and (ii) an Apple-branded mouse, Magic Trackpad, and/or Apple-branded keyboard if included with the Covered Device (or purchased with a Mac mini, Mac Pro, or Mac Studio), an Apple-branded VESA mount and/or stand if included or purchased with a Mac Covered Device, Apple memory modules (RAM) and an Apple USB SuperDrive ("Mac Accessories") if used with the Covered Device and originally purchased no earlier than two years before the Covered Device purchase. The Covered Equipment must have been purchased or leased as new from Apple or an Apple Authorized Reseller. Where legal ownership of the Covered Equipment has been transferred to you, the Plan must have been transferred to you pursuant to Section 9. Covered Equipment includes any replacement product provided to you by Apple under Section 2 of this Plan.

Coverage begins when you purchase the Plan and continues, unless cancelled, through the date specified in your Plan Confirmation (the "Plan Term").

You can find the price of the Plan on the original sales receipt as provided by Apple or another seller from whom you have purchased your Plan (an "Apple Authorized Reseller").

This Plan is intended to and does only apply to your Covered Equipment. This Plan is not for your commercial use and may not be used by you in furtherance of any financial gain including, but not limited to, seeking service for devices owned by others and which are not covered by this Plan. For the avoidance of doubt, other than as provided under Section 9 of this Plan, you may not sell, transfer, subcontract, delegate, or assign any of your rights under this Plan. Apple has the right to monitor your service requests to ensure compliance. Violation of this provision may void this Plan.

2. What is Covered?

2.1 Hardware Services for Defects or Consumed Battery ("Hardware Service")

Hardware Service is provided if during the Plan Term you submit a valid claim by notifying Apple that a defect in materials and workmanship has arisen in the Covered Equipment or, in relation to Covered Equipment which uses an integrated rechargeable battery, that the capacity of the Covered Device's battery to hold an electrical charge is less than eighty percent (80%) of its original specifications. See Section 2.3 for Hardware Service fulfillment details.

Exclusions to Hardware Service coverage under this Plan apply as described in Section 3.

2.2 Services for Accidental Damage from Handling (“ADH Service”)

ADH Service is provided if during the Plan Term you submit a valid claim by notifying Apple that the Covered Device has failed due to accidental damage from handling resulting from an unexpected and unintentional external event (for example, drops and damage caused by liquid contact from spills) (“ADH”). The damage must affect the functionality of your Covered Device. See Section 2.3 for ADH Service fulfillment details.

Exclusions to ADH Service coverage under this Plan apply as described in Section 3.

2.3 Fulfillment of Hardware Coverage and ADH Services

If during the Plan Term you submit a valid claim for Hardware Service or a valid claim for ADH Service, Apple will, at its discretion, either: (i) repair the defect using new parts or previously used genuine Apple parts that have been tested and pass Apple functional requirements, or (ii) exchange the Covered Equipment with a replacement product that is new or comprised of new and/or previously used genuine Apple parts that have been tested and pass Apple functional requirements.

If repair or replacement under (i) and (ii) are not possible or available, Apple will reimburse you with Apple store credit, an Apple gift card, or cash in the amount equal to Apple’s current retail price for the Covered Device (or, if Apple does not currently sell the Covered Device model, the retail price at which Apple last sold the Covered Device model), or the amount paid for the Covered Device as shown on the original proof of purchase, whichever is greater. In the event a reimbursement is made, the original Covered Device will become Apple’s property, and your Plan will automatically cancel as you are no longer in possession of the Covered Device.

Service for ADH is subject to your payment of the service fee described below. Each ADH Service you receive is a “Service Event,” subject to the service fees described below.

If Apple exchanges the Covered Device, all replacement products under this Plan will have the same or substantially similar features (e.g., a different model, or the same model in a different color, with the same or enhanced technological features or capabilities) as the original Covered Device, or at Apple’s option, the replacement product will be the same or more recent model but with different technological or functional features or capabilities as the original Covered Device. If Apple exchanges the Covered Device, the original product becomes Apple’s property and the replacement product is your property with coverage effective for the remainder of the Plan Term.

Apple may use devices or replacement parts for service that are sourced from a country that is different from the country from which the Covered Device or original parts were sourced.

Exclusions apply as described below.

2.4 Service Fees and Service Events

Each time you receive services for ADH is a “Service Event,” subject to the Service Event fees described below. You are eligible to receive unlimited Service Events for your Covered Device while the Plan is active, up to the date the Plan is cancelled or otherwise terminated. Requests for Service Events submitted and received by Apple after the Plan has been cancelled or terminated will not be covered by the Plan.

The following service fees apply to each Service Event:

	Mac	Apple Display
Tier 1 ADH Service Event	MOP\$799	MOP\$799
- Screen-Only ADH Damage		
- External Enclosure-Only ADH Damage		

Tier 2 ADH Service Event
- Other Accidental Damage

MOP\$2,399

MOP\$2,399

**Fees include applicable taxes payable by you.*

To qualify for the Tier 1 ADH Service Event fee, the Covered Device must have no additional damage beyond the screen-only damage (if applicable) or the external enclosure-only damage where such additional damage would prevent Apple from repairing the display or external enclosure. ADH damage to the Apple-branded stand and/or VESA mount used with your Apple-branded display will be treated as External Enclosure-Only ADH Damage. A Covered Device with additional damage will be charged the price of the Tier 2 ADH Service Event.

Please note that if you seek service under this Plan in a country other than Macau, the service fee or local equivalent fee may need to be paid in that country's currency and at that country's applicable rate. For further details, including regarding applicable fees by country, please visit the AppleCare+ support website at apple.com/legal/sales-support/applecare/applecareplus/ and select the appropriate device and location in which you seek service to view the applicable terms and fees.

2.5 Technical Support

During the Plan Term, Apple will provide you with priority access to telephone and web-based technical support for Covered Equipment ("Technical Support"). Technical Support may include assistance with installation, launch, configuration, troubleshooting, and recovery (excluding data recovery), including storing, retrieving, and managing files; interpreting system error messages; and determining when Hardware Service is required or ADH coverage may be applicable. Apple will provide support for the then-current version of the supported software, and the prior Major Release. For purposes of this section, the term "Major Release" means a significant version of software that is commercially released by Apple in a release number format such as "1.0" or "2.0" and which is not in beta or pre-release form.

Apple Technical Support is limited to the following: (i) the Covered Equipment, (ii) the Apple-branded Operating System ("macOS") and Apple-branded software applications that are pre-installed on or designed to operate with the Covered Equipment ("Consumer Software"), and (iii) connectivity issues between the Covered Equipment and a computer or device that meets the Covered Equipment's connectivity specifications and runs an operating system supported by the Covered Equipment.

Exclusions apply as described below.

3. What is Not Covered?

3.1 Hardware Service and ADH Service

Apple may restrict Hardware Service and ADH Service to the country where the Covered Equipment was originally purchased.

Apple will not provide Hardware Services or ADH Services in the following circumstances:

- (a) to protect against normal wear and tear, or to repair cosmetic damage not affecting the functionality of the Covered Equipment;
- (b) to conduct preventative maintenance;
- (c) to replace Covered Equipment that is lost or stolen;
- (d) to repair damage, including excessive physical damage (e.g., products that have been crushed, bent or submerged in liquid), caused by reckless, abusive, willful or intentional conduct, or any use of the Covered Equipment in a manner not normal or intended by Apple;
- (e) to install, remove or dispose of the Covered Equipment or the equipment provided to you while the Covered Equipment is being serviced;
- (f) to repair damage caused by a product that is not Covered Equipment;
- (g) to repair any damage to Covered Equipment (regardless of the cause) if the Covered Equipment has been opened, serviced (including for upgrades and expansions), modified, installed or altered by anyone other than Apple or an authorized representative of Apple;
- (h) to repair pre-existing conditions of the Covered Equipment if you purchased the Plan after you purchased

the Covered Equipment;

- (i) to repair any damage to Covered Equipment with a serial number that has been altered, defaced or removed;
- (j) to repair damages caused by fire, earthquake, flood, or other similar external causes;
- (k) to protect against damage caused by the presence of hazardous materials, including, but not limited to, biological materials and allergens, that present a risk to human health;
- (l) the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic hardware or software, or components thereof, that are used to store, process, access, transmit, or receive information within Covered Equipment as a result of any cause or loss other than covered losses specifically stated in this Plan, including any unauthorized access or unauthorized use of such system, a denial of service attack, or receipt or transmission of malicious code;
- (m) the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic data stored within Covered Equipment, including any such loss caused by unauthorized access or unauthorized use of such data, a denial of service attack, or receipt or transmission of malicious code; or
- (n) if you are seeking service for a device under this Plan for a commercial purpose in furtherance of your own financial gain, including if you have sold, transferred, subcontracted, delegated, or assigned any of your rights under this Plan (except as provided under Section 9 of this Plan).

Installation of third-party parts may affect your coverage. As a condition of receiving Hardware or ADH Service, all Covered Equipment must be returned to Apple in its entirety including all original parts or Apple-authorized replacement components. The restriction does not prejudice your consumer law rights.

3.2 Technical Support

Apple will not provide Technical Support in the following circumstances:

- (a) for use or modification to the Covered Equipment, the macOS, or Consumer Software in a manner for which the Covered Equipment or software is not intended to be used or modified;
- (b) for issues that could be resolved by upgrading software to the then-current version;
- (c) for third-party products or their effects on or interactions with the Covered Equipment, the macOS or Consumer Software;
- (d) for your use of a computer or macOS that is not related to Consumer Software or to connectivity issues with the Covered Equipment;
- (e) for software other than the macOS or Consumer Software;
- (f) for any Consumer Software designated as “beta,” “pre-release,” “preview,” or similar designation;
- (g) for damage to, or loss of any software or data that was residing or recorded on the Covered Equipment (note: the Plan does not cover the recovery or reinstallation of software programs and user data);
- (h) for third-party web browsers, email applications, and Internet service provider software, or the macOS configurations necessary for their use;
- (i) the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic hardware or software, or components thereof, that are used to store, process, access, transmit, or receive information within Covered Equipment as a result of any cause or loss other than covered losses specifically stated in this Plan, including any unauthorized access or unauthorized use of such system, a denial of service attack, or receipt or transmission of malicious code; or
- (j) the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate any electronic data stored within Covered Equipment, including any such loss caused by unauthorized access or unauthorized use of such data, a denial of service attack, or receipt or transmission of malicious code.

4. How to Obtain Service and Support

You may obtain service or Technical Support by calling Apple at (853) 6262-1631, or by accessing support.apple.com/zh-mo. You must provide the Plan Agreement Number or Covered Device serial number. You must also, upon request, present your Plan Confirmation, and the original sales receipt for your Covered Device and your Plan.

5. Service Options

Apple may change the method by which Apple provides repair or replacement service to you, and your Covered Equipment's eligibility to receive a particular method of service.

Service will be limited to the options available in the country where you request service. Service options, parts availability and response times may vary. If service is not available for the Covered Equipment in a country that is not the country of purchase, you may be responsible for shipping and handling charges to facilitate service in a country where service is available. If you seek service in a country that is not the country of purchase, you must comply with all applicable import and export laws and regulations and be responsible for all custom duties, V.A.T. and other associated sales taxes and charges. For international service, Apple may repair or exchange products and parts with comparable products and parts that comply with local standards.

Apple will provide Hardware or ADH Service to you through one or more of these options:

(a) Carry-in service. Carry-in service is available for most Covered Equipment. Return the Covered Equipment to an Apple-owned retail store location or to a service provider authorized by Apple that offers carry-in service. Service will be performed for you at the store, or the store may send the Covered Equipment to an Apple Repair Service (“ARS”) site for service. You must promptly retrieve the Covered Equipment.

(b) Onsite service. Onsite service is available for many desktop and portable computers as well as for the Apple-branded display if the location of the Covered Equipment is within an 80-kilometer radius of an Apple Authorized Onsite Service Provider. Certain parts serviceable under do-it-yourself parts service, as described below, are not eligible for onsite service. If Apple determines that onsite service is available, Apple will dispatch a service technician to the location of the Covered Equipment. Service will be performed at the location, or the service technician will transport the Covered Equipment to an Apple Authorized Services Provider (“AASP”) or Apple Repair Service (“ARS”) location for repair. If the Covered Equipment is repaired at an AASP or an ARS location, Apple will arrange for transportation of the Covered Equipment to your location following service. If the service technician is not granted access to the Covered Equipment at the appointed time, any further onsite visits may be subject to an additional charge.

(c) Mail-in service. Direct mail-in service is available for most Covered Equipment. If Apple determines that your Covered Equipment is eligible for mail-in service, Apple will send you prepaid waybills (and, if needed, packaging material). You must ship the Covered Equipment to an ARS site in accordance with Apple’s instructions. Once service is complete, the ARS site will return the Covered Equipment to you. Apple will pay for shipping to and from your location if you follow all instructions.

(d) Do-it-yourself (“DIY”) parts service. DIY parts service is available for many Covered Equipment. This allows you to service your own Covered Equipment. In any case, Apple is not responsible for any labor costs you incur with respect to DIY parts service. If DIY parts service is available, the following process will apply:

(i) Service where Apple requires return of the replaced Covered Equipment part. Apple may require a credit card authorization to serve as security for the retail price of the replacement Covered Equipment part and applicable shipping costs. If you are not able to provide credit card authorization, service may not be available to you and Apple will offer an alternative arrangement for service. Apple will ship a replacement Covered Equipment part to you with installation instructions, if applicable, and any requirements for the return of the replaced Covered Equipment part. If you follow the instructions, Apple will cancel the credit card authorization, so you will not be charged for the Covered Equipment part and shipping to and from your location. If you fail to return the replaced Covered Equipment part as instructed or return a replaced product, part or accessory that is ineligible for service, Apple will charge the credit card for the authorized amount.

(ii) Service where Apple does not require return of the replaced Covered Equipment part. Apple will ship you free of charge a replacement Covered Equipment part accompanied by instructions for installation, if applicable, and any requirements for the disposal of the replaced part.

6. Your Responsibilities

To receive service or support under the Plan, you agree to (i) provide your Plan Agreement Number, a copy of your Plan’s original proof of purchase, and the Covered Equipment’s serial number; (ii) provide information about the symptoms and causes of the issues with the Covered Equipment; (iii) respond to requests for information needed to diagnose or service the Covered Equipment; (iv) follow instructions Apple gives you; (v) if requested,

provide information to verify your ownership of the Plan (i.e., your name, telephone number, email address, Apple Account, and/or any other information Apple deems necessary); (vi) update software to currently published releases prior to seeking service; and (vii) back up software and data residing on the Covered Equipment.

DURING HARDWARE SERVICE, APPLE WILL DELETE THE CONTENTS OF THE COVERED EQUIPMENT, REFORMAT THE STORAGE MEDIA, AND REINSTALL THE COVERED EQUIPMENT'S ORIGINAL SOFTWARE CONFIGURATION AND SUBSEQUENT UPDATE RELEASES, WHICH WILL RESULT IN THE DELETION OF ALL SOFTWARE AND DATA THAT RESIDED ON THE COVERED EQUIPMENT PRIOR TO SERVICE. Apple will return your Covered Equipment or provide a replacement as the Covered Equipment was originally configured, subject to applicable updates. Apple may install macOS updates as part of hardware service that will prevent the Covered Equipment from reverting to an earlier version of the macOS. Third party applications installed on the Covered Equipment may not be compatible or work with the Covered Equipment as a result of the macOS update. You will be responsible for reinstalling all other software programs, data and passwords.

7. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, APPLE AND ITS EMPLOYEES AND AGENTS WILL UNDER NO CIRCUMSTANCES BE LIABLE TO YOU OR ANY SUBSEQUENT OWNER OF THE COVERED EQUIPMENT FOR ANY INDIRECT OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO THE COSTS OF RECOVERING, REPROGRAMMING, OR REPRODUCING ANY PROGRAM OR DATA OR THE FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA, ANY LOSS OF BUSINESS, PROFITS, REVENUE OR ANTICIPATED SAVINGS, RESULTING FROM APPLE'S OBLIGATIONS UNDER THIS PLAN. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE LIMIT OF APPLE AND ITS EMPLOYEES' AND AGENTS' LIABILITY TO YOU AND ANY SUBSEQUENT OWNER ARISING UNDER THIS PLAN SHALL NOT EXCEED THE ORIGINAL PRICE PAID FOR THIS PLAN. APPLE SPECIFICALLY DOES NOT WARRANT THAT (i) IT WILL BE ABLE TO REPAIR OR REPLACE THE COVERED EQUIPMENT WITHOUT RISK TO OR LOSS OF PROGRAMS OR DATA, (ii) IT WILL MAINTAIN THE CONFIDENTIALITY OF DATA, OR (iii) THE OPERATION OF THE PRODUCT WILL BE UNINTERRUPTED OR ERROR-FREE.

THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ANY RIGHTS AND REMEDIES PROVIDED UNDER CONSUMER LAWS AND REGULATIONS. TO THE EXTENT THAT LIABILITY UNDER SUCH LAWS AND REGULATIONS MAY BE LIMITED, APPLE'S LIABILITY IS LIMITED, AT ITS SOLE OPTION, TO REPLACEMENT OR REPAIR OF THE COVERED EQUIPMENT OR SUPPLY OF THE SERVICE. SOME STATES OR PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO SOME OR ALL OF THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

8.4 Apple's Cancellation Rights

Where you pay for the Plan in installments and there are arrears, the Payment Plan Provider can request that Apple cancel your Plan.

8.5 Effect of Cancellation

Additionally, with regard to Monthly Pay Plans, including if you financed the purchase of your Plan, the transferee must assume and comply with all payment obligations of the transferor, and any failure to do so by a transferee shall immediately trigger the cancellation provisions applicable to Monthly Pay Plans, as described in Section 8. When notifying Apple of the transfer, you must provide the Plan Agreement Number, the serial number of the Covered Equipment, and the name, address, telephone number and email address of the new owner.

10. General Terms
